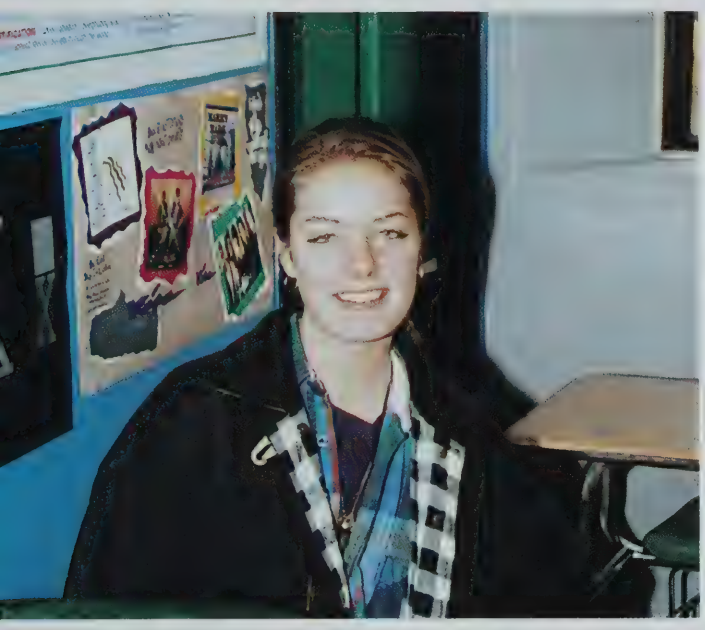
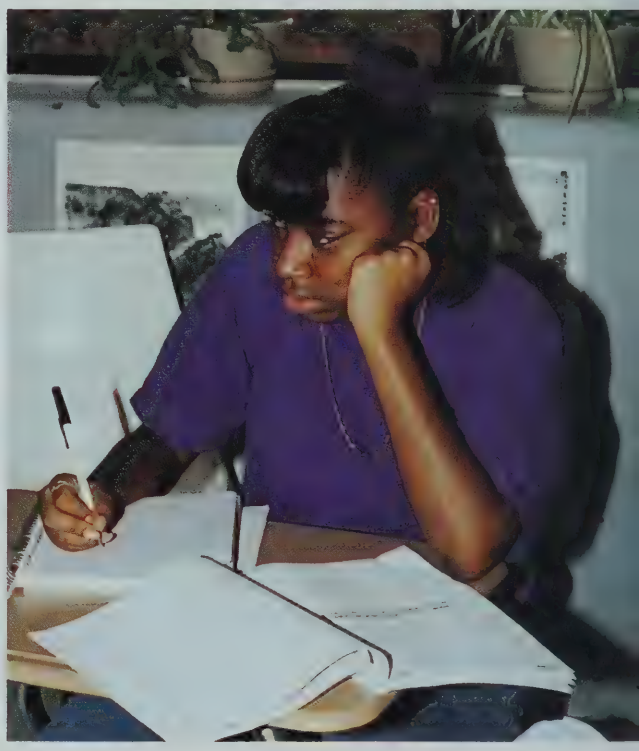
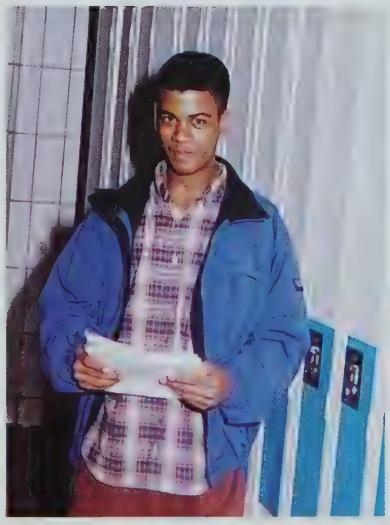
RINDGE SCHOOL of TECHNICAL ARTS



Our learning environment values physical and artistic expression; students show their learning through products and actions in addition to written work. Students work in teams to pose, understand, and solve problems. They gain skills for immediate employment and build a strong foundation for further education and future careers.

Leadership





Dr. Margaret LeGendre, Assistant Principal of the Fundamental School for the past 13 years. She has the boldness of a lion, but the mind of a friend. Thanks for all you've done.

Cheering on a team or being a member of the band.

It's Wayne! Designing his future.

During the last few years we have grown,
Through this time our talents have shown,
Joining a club to meet new friends,
Uniting together is where it begins.
Preparing our dreams for future plans,
Having a teacher or counselor to help and understand,
Our fond memories we hold sentimental,
All lead back to our days we had in ***FUNDAMENTAL.***

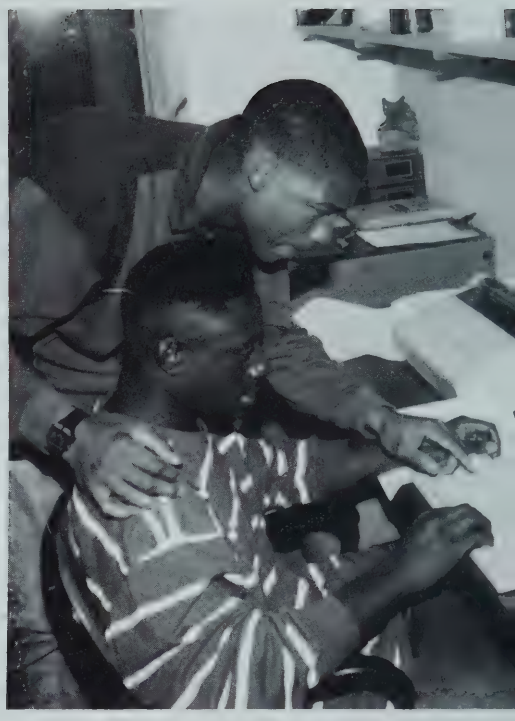
College Fair '93 was the place to be!

On Wednesday evening, October 27, over 1500 Parents and Students crowded into the Frisoli Field House to gather educational and financial aid information. One hundred and sixty five colleges and post secondary schools were represented along with eight local banks. It was a unique experience to meet CRLS "alum" who are now college reps. They were delighted to return to the high school and offered much support and encouragement to CRLS students. The Career Resource Center once again hosted the College Fair which has now become a wonderful fourteen year **TRADITION.** This year's **FAIR** was dedicated to the **GUIDANCE COUNSELORS** for: assisting countless numbers of students through the "maze" of college decision making . . . for making the "adventure" new and exciting **EACH** year . . . for their continuing dedication, support and patience for **ALL** their students.



Clubs

Black Student Union

The BSU organizes students to promote understanding and appreciation of the African-American culture and heritage and the diversity within the CRLS school community. Activities include: Annual KWANZA and Black History month assemblies, developing and displaying resources on the Black colleges at the annual College fair, participation in the CRLS Martin Luther King Jr. assembly. The club elects officers and conducts fundraising events. The BSU gives annual scholarships to active members based on leadership, service, and club spirit. The club slogan is "BSU — A Body That Builds Pride."

Project 10 East

An award winning club whose goal is to end homophobia and heterosexism while providing affirmation for our gay, lesbian and bisexual students and staff. Project 10 East is a group of gay and straight students who work towards creating a caring community. The advisor is Al Ferriera.

Leadership Students Government REPS

In the spirit of the Leadership philosophy students in the program are encouraged to participate in Student Government where the opportunity exists for them to display their leadership talents and to learn the true meaning of community based management.

Asian Club

The Asian Club has grown over the past years, and members now number over 40. By the name "Asian Club" one would probably think that only Asians are allowed to join, but that's not the case, we have members from other countries as well as the Asian countries.

The club has two main goals in mind: to make the club entertaining and educational. A person can learn so much from students of different nationalities. The club stresses close interaction with everyone, games with other clubs, parties and trips are planned for this purpose. Peter Ho is the Asian Club Advisor.

Portuguese Club

The Portuguese club is an elaborate group of people who participate in various fundraising for our community. They also enjoy taking annual trips to New Hampshire, New York, Riverside park, and Martha's Vineyard. Their strong representation of their culture has made our school proud. The advisor of the club is Otillia Ferreira.

East African Club

The East African Club is a club that brings together students of East African heritage to celebrate their ethnicity and culture by participating in activities that promotes pride and builds positive self-esteem in one's ethnic background.

Chess Club

Knights of The Square Table is the name of the Chess Club at C.R.L.S. Within the last two years they have won the District Championships and the Massachusetts Championships. They are always looking for new students to be involved. Whether you would like to play or just watch all are welcome to meet in R. 124. Every year new and old friendships begin. With a variety of people they also learn about each other while learning about chess. The club's advisor is Gil Sosa.

French Club

The French Club's activities include; movies, French library, museums, dinners, both potluck at students' homes and in restaurants. Fundraising to defer annual trip. The French Club is open to all students. The advisor of the French Club is El Hadji Sarr.

West Indian Club

The purpose of the West Indian Club is to promote West Indian culture and to teach West Indian students and others more about their heritage and Ancestral background. The club's advisor is Nadine Nelson.

K.B. Club

K.B. focuses on communities that are in need whether here or outside the state through activities such as food drives and visitations to places like Neville Manor, an elderly home. The K.B. Club is here to help people throughout the community. The tradition of the club is one of academic competence and leadership. Members of the K.B. Club reflect the ethnic and social diversity of the student body. Advisor of the K.B. Club is Mary (Ginny) McCabe.

Alpine Ski Club

The Alpine Ski Club takes about 10 trips a year to area mountains such as Killington, and Butternut and it also holds a major weekend trip toward the end of the year. Last year George Greenidge and Jack Haverty, advisors to the Ski Club, organized a ski trip during February vacation. Through fundraising such a selling candy and magazines, the club keeps ski trip prices to a minimum for everyone to enjoy.

Continuation of the Alpine Ski Club

Haitian Club

The Haitian Culture is rich and that richness which has sustained the people over the years should be promoted and shared with all at the school. Haitians contributions to the Americas and the U.S. in particular should be known to all in an effort to promote mutual respect and multicultural understanding. The Haitian Club welcomes all students duly matriculated at C.R.L.S. and abides by the democratic principles embeded in the Constitution of the United States and the Bill of Rights; and, at the same time hopes to underscore the unique needs of Haitian-American students.

Young Women of P.O.W.E.R.

Science Team

The National Honor Society

The N.H.S. is an organization which focuses on the leadership, character, scholarship and service of our students. Once inducted, students engage in Peer Tutoring giving assistance to the School Volunteers and services both inside and outside of school. The N.H.S. member is a leader who is admired and respected by the entire school population. The Advisor is Gordie Axtman.

Italian Club

The Italian Club is open to all students. Club activities include museums, dinner both potluck at student's homes and in restaurants. An annual trip is planned to see Italy and enjoy the country. Ms. Jane Scorza is the Club Advisor.

Japan Awareness

Students learn about Japanese culture, learn how to speak Japanese and plan a trip to our sister city in Japan. Hidimi Baughman and Karen Fitzpatrick are advisors.

Student Government

The Student Government is a group of young people who voice their opinions as well as expressing the concerns of their fellow students. Through this diverse group of students, the whole student body is well represented.

Key Club

Key Club is a Service Organization for high school students which operates under school regulations and draws its membership from the student body. Key Club is sponsored by a local Kiwanis club, composed of the leading business and professional men of the community. Key Club's aim is the development of initiative, leadership ability, and good citizenship practices. Key Club functions not only on the local level, but on a district and international level.

Slavic Club

We learn about Russian culture, teach the language, and take a trip during the school year.

THE YEARS REALLY FLY BY

The years really fly by,
After your work is done,
You move on to college,
Maybe to find a special someone.

Your high school years are left behind,
Somehow keeping the memories in your heart,
After you graduate you must move on,
In college you make a brand new start.

Old friends and new friends,
Made all four years a pleasure,
The memories are so special,
Memories you will always treasure.

Hoping your family,
Both young and old,
Support all the choices you've made,
As you keep going for the gold.

By studying hard,
Anyone can make it through,
The years really fly by,
Is a saying that is so true.

Remembering all the laughter,
As you walked with your friends in the halls,
Remembering all the sports you played,
Tennis, softball, and volleyball.

To the students still there,
A message can be said,
Reach high for your goals and dreams,
Don't oversleep in your bed.

Help those who need it,
Grow mature with each day,
Be proud to be you,
Be proud of your ways.

Another graduation day around the corner,
With your studies you still have to try,
Use your smarts and be the best you can be,
Since the years really fly by.
